My name is Marc-Donald OMEUS, I am 25 years old. I am a Diligent full stack developer, dedicated to leadership development and team collaboration. Seeking an opportunity to further engage my skills, where my background in computer science, and entrepreneurship have prepared me for any work environment. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines.
